### Statement

With reference to the discussion held on one of the social media portals on master's degree diplomas obtained at the Faculty of Architecture, to protect the good reputation of the Faculty of Architecture of the Poznan University of Technology undermined in that discussion, please be informed that the diplomas obtained since the academic year 2007/2008 are valid and compliant with the Directive No. 2005/36/EC.

Therefore, on this grounds, the Faculty of Architecture has applied to the Ministry of Science and Higher Education for the recognition of diplomas obtained by the graduates of Architecture studies at the Faculty of Architecture of the Poznan University of Technology, to be formally acknowledged and granted an entry in Appendix No. VI of the Directive.
