The table above is a simplified representation of the complex WAPP schedule grid. It shows the layout with columns for each day (Monday, Tuesday, Wednesday) and rows for each hour of the week. The grid is divided into four main sections: Semester 1, Semester 3, Semester 5, and Semester 7. Each section contains colored blocks representing various architectural studios and courses. The grid is highly detailed, showing specific course names, room numbers, and time slots for each day of the week.
